

Satan

"The merchants of the world weep + mourn - for no man buys their merchandize any more - merchandize of horses and chariots and slaves (bodies) and souls of men" (Rev. 18:11-13)

Why are the rulers upset because they are being deprived of the "souls of men?"

Before the fall - when God created Adam "a living soul" which is this personality In God's image → (M W F)

Before Adam had great ability + strength + ingenuity. Adam was to be transformed into the Image of God → by using his soul.

After But after the fall - man's ability is there - but is bound or immobilized by the flesh -

Before Adam was meant to be controlled by his spirit in union with God.

After But after the fall, the spirit being dead, man is subject to the dominion of the flesh.

Satan's object is to barter for men's souls & use them as instruments for his activities at the end of this age.

Satan's great deception is to help man release this latent "soul" power for his spiritual power these days.

Notes

The necessity of the world is not a moral
question. It is a question of power. The
only way to overcome the power of the
few is to organize the many. (L. B. Nichols)

When one is in a position of power
it is not enough to be good. One must
also be strong.

all these new religions - parapsychology
② Scientology, ③ T.M., ④ mind-expansion, ⑤ self-actualization
⑥ mind dynamics - plus all eastern religions
aim at overcoming the outward flesh
to release the power of the soul.

- They** → to train a person to strengthen the soul
- release its power
 - perform miracles
 - astral trips
 - foretell future
 - break all the physical & material bonds
 - clairvoyance
 - telepathy
 - sympathetic

One psychology book proclaims that all humans
are gods - we just need to learn how to release
that power - how like Satan's promise!

In the end → Man will worship himself & indirectly
Satan

Satan's One of my greatest concerns is the deception
which will deceive the church because
soul-power is rolling towards us in a
torrent → picking up speed & volume as it comes
in a final preparation for the presentation
of the antichrist - and all his lying
wonders!

II Pet. 3:

As Peter said, "what sort of people ought you to be in holy conduct and godliness — looking far and hastening the coming of the day of God"

This is the preparation for the Rapture — before Satan actually rules through the anti-Christ and the whole world turns into chaos

We need to know the danger — & how to guard against it:

4 facts

① In man, even fallen, is a great latent power → soul

② Satan desires to control men's soul power — & use it for his own purpose, & since the fall he has the opportunity to do so

③ How does Satan make use of these soul powers?

a) In men's ability to work wonders — miracles men will make themselves gods as they learn to perform more & more psychic miracles & wonders

b) Satan will confuse men about the work of the N.S. — as Satan teaches men to use his own soul power, men ~~will~~ who are 'religious' will experience false repentance — miracles — and false gifts of the N.S.

c) Satan will use man in his final revolt against God's plan in this age — The N.S. is God's agent

But

Men's Soul power is Satan's wonder working agent

d) Satan counterfeits 'peace + joy' - by TM
e.g. Dr. Frank Buchman → said meditate then pray and whatever your first thought is right after you pray - that was given you by God

empty mind

That is just "psychic operation" → soul power
We do not need to meditate on God
1. We already have God's life in us - we are hid with Christ

Whole counsel of God
2. We have the Word of God
Whatever His Word says we believe That settles it

→ Don't go on feelings!!

Don't pray horizontally - C.F.O.
Pray to God for that person
The MWE are main 'psychic' organs - + can be used to produce - miracles - feelings - communication - we can be deceived

How can we keep from being deceived?

Be willing to be disciplined by the H.S.
(Jo. 12: 24-25-26) willing to lose our SOUL LIFE we will gain life eternal

Soul Self → out of the way

Depend on the H.S. (Jo. 6: 63)
Depend on Him so much that His Word is our sword
His Power - our source His LIFE - our only life
