The World is anything that continues + prospers even when the H.S. is no longer in it.

The genealogy in Gen. 4 is tremendously significant

4:17 - 5:31

## 1st Line - Cain's line

1. Cain built a city - Enoch
2. Lamech, terrible man - killed a young boy for wounds
3. Son - agriculturalist
4. Jubel-cain - forger of metals instruments
5. Naamah - beauty queen
6. Son - musical instruments

Everything that's worth anything is on Cain's side - cites 5.

## 2nd Line - Seth's side - line

1. Enoch walked with God - <sup>sought God in those days</sup>
2. Enoch "was not, for God took him"

Ques

Man in rebellion against God operates alone - and when man walks alone he erects a SYSTEM - a crystallis - a wall around himself - his own Substitute for the God he had lost.

This man goes out to achieve - he lives in the WORLD <sup>of the WORLD</sup> the moral system where man lives apart from God - so he won't have to be responsible to God - God is locked out of man's system
