The easy way is for man to trust a system - a highly-structured, well-run organization

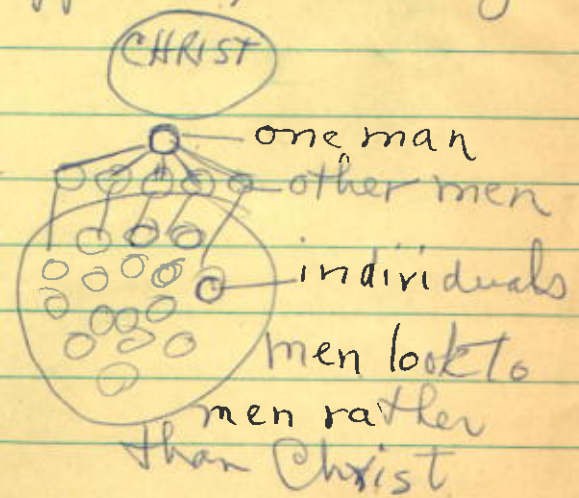

Access through what Christ did at the Cross
Unity is already a fact in the mind of God - we need to experience every day what Christ has already done
Eph. 4:3 - preserve the unity
need humility, gentleness, ^{strong but submissive} patience, showing forbearance - in love
In a system a man is expendable but God says forbear

called out of WORLD SYSTEM

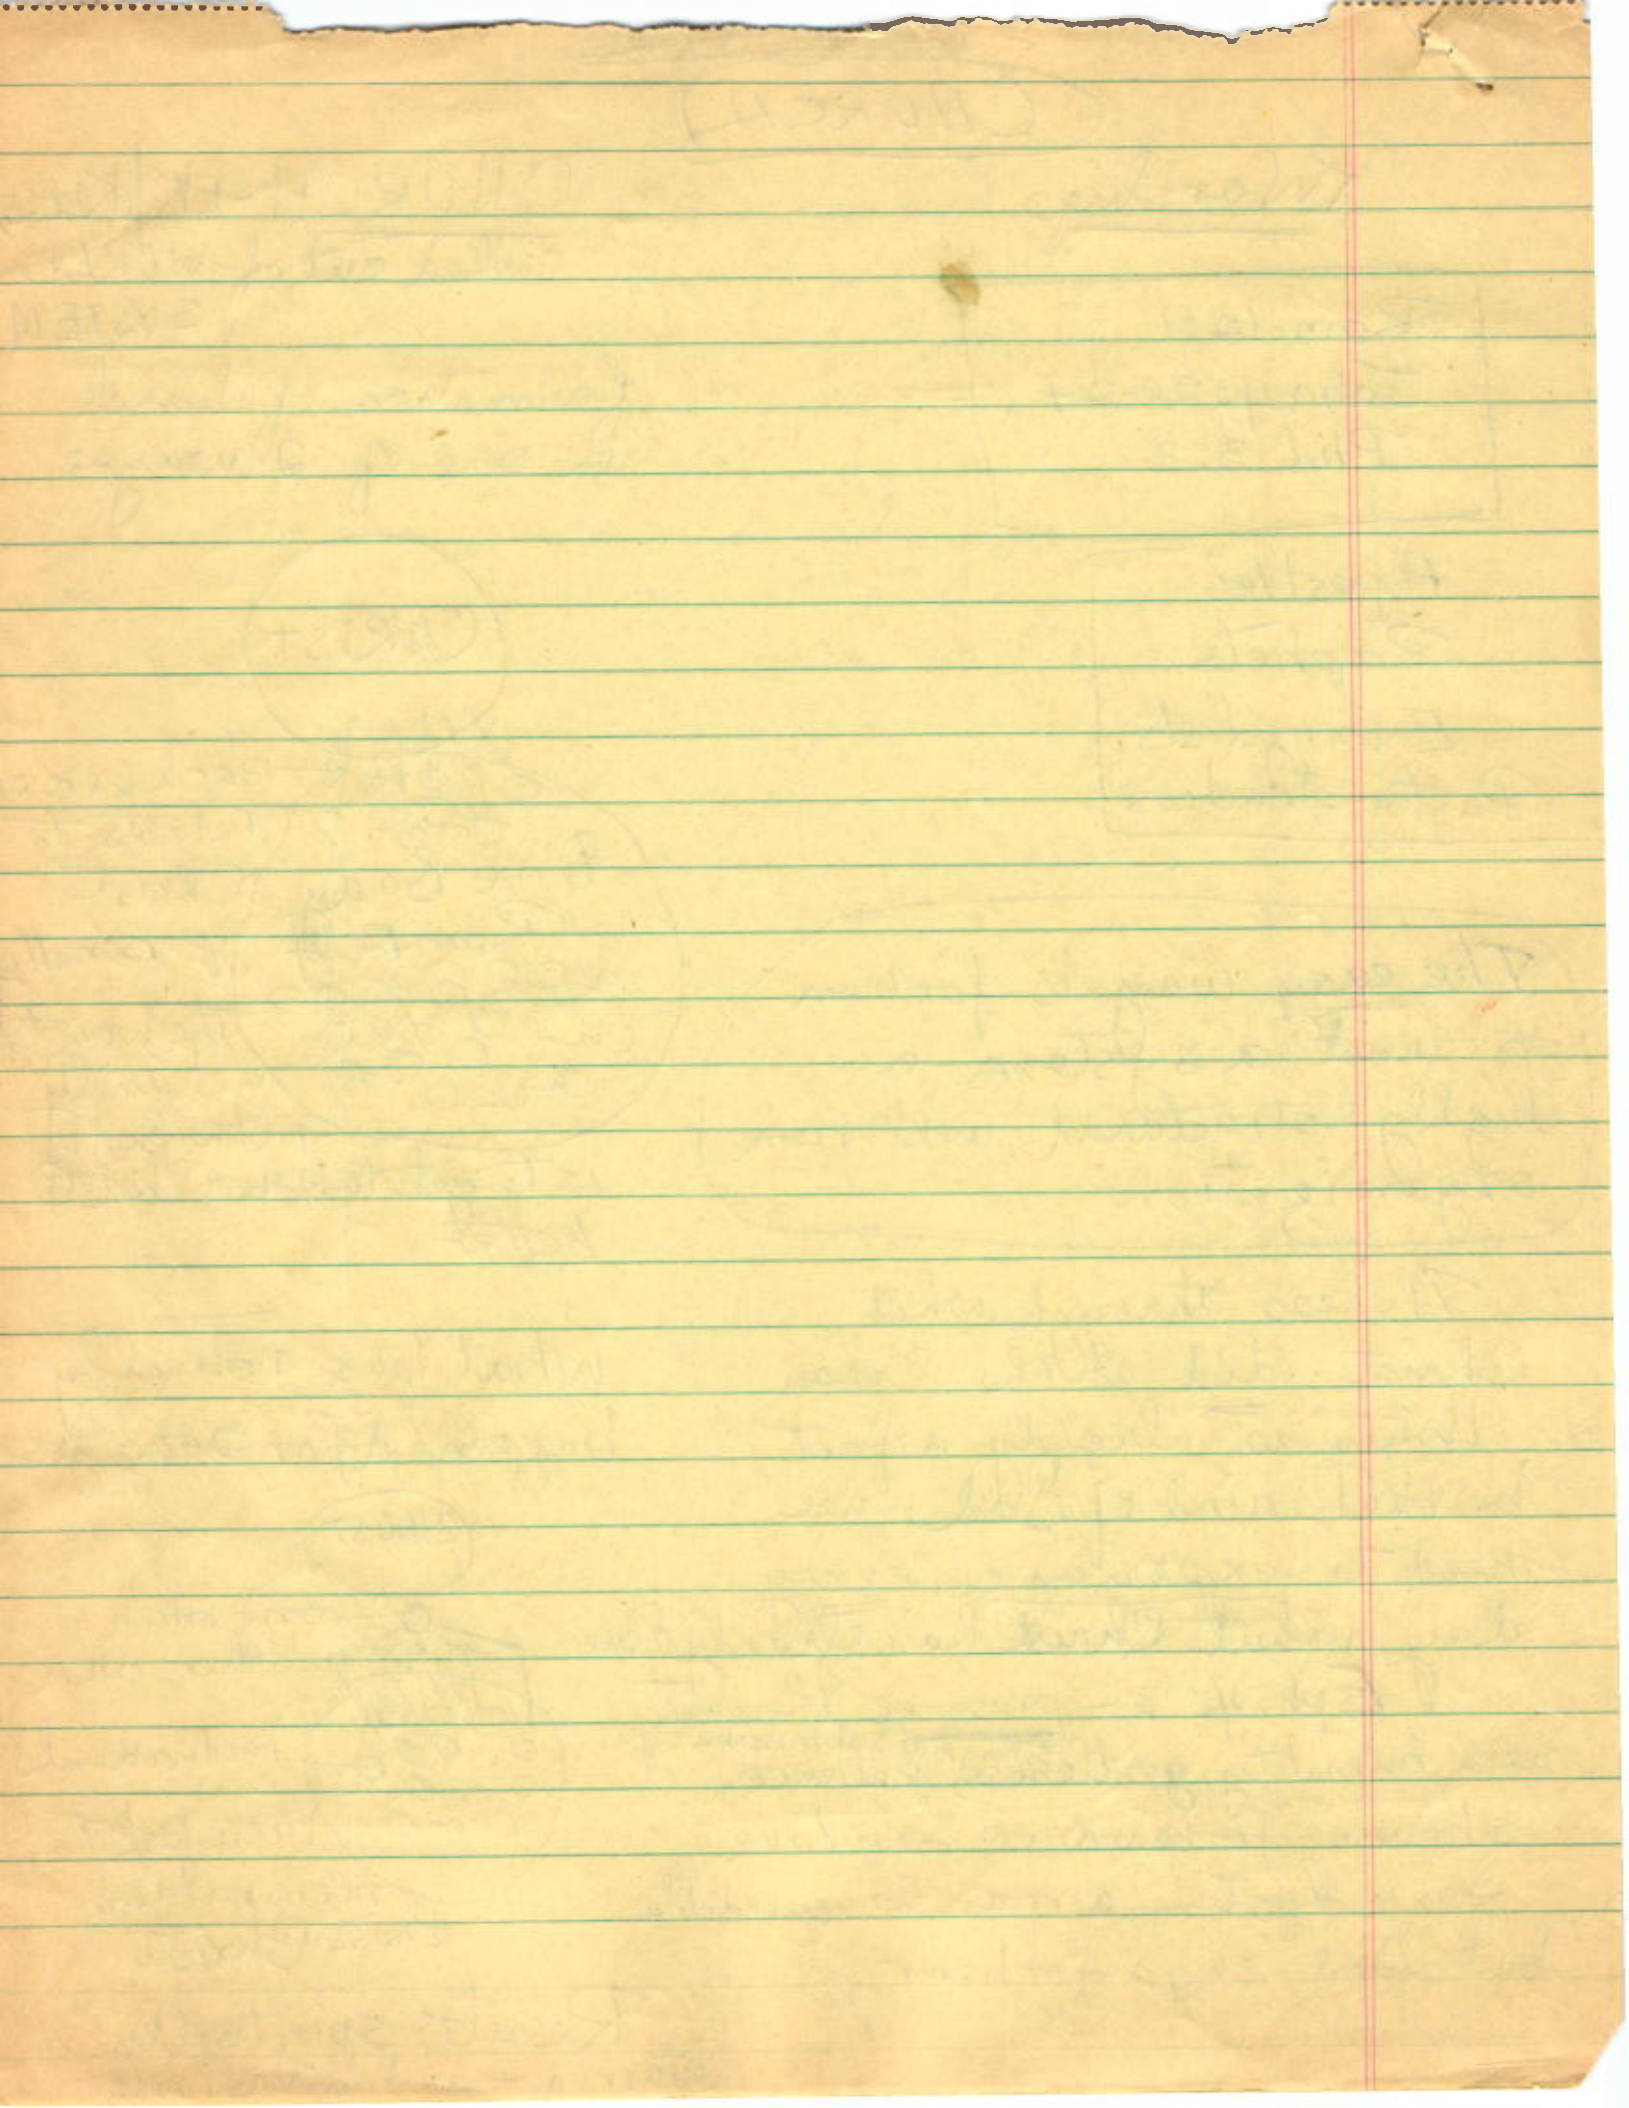

formation of church in one of 2 ways:

What has actually happened for 2000 yrs.

Result: spiritually starved - and divisions

We make a mistake by identifying worship
with a place — a person — a time
God's attitude — any place, any time, with anyone
— continually — primarily vertical —
as we respond to the Lord

Dent. 6:5 — Love the Lord with all —
Only 1 definition of ^{worship} Rom. 12:1

A living & holy sacrifice — which is
your spiritual service of worship —
Summation & essence of WORSHIP

I Cor. 6 — we are the Temple of the H.S.
meetings — moments — can be used for worship
Worship is the disposition of your heart
where you are occupied with God & the
things of God

Matt. 15:1-9 tradition vs. commandment
Hearts vs. acts of God

Jo. 4:20-24 — in Spirit & truth

H.S. + His WORD, our position

Phil. 3:1-3 — worship in the Spirit of God +
glory in Christ Jesus

Meeting mentality: something must happen
on an existential moment
