

⑤ Do you realize what Christmas is all about? It's not office parties and getting all boozed up - getting gifts - satiating our selfishness to the max. NO! Christmas is when the Creator - God - the only God of the Universe came as a baby - and yet He had to be born in a harm. He's the Creator - He created these people and these animals - and all these hills ^{where} they lived. He created the stars - the one which stood over Bethlehem that night.

Let me try to get you to see God - Let's get our perspective straight.

Job Isa. 40, 59:2, 64:4 Isa. 7:14
He is a Transcendent, almighty, all-powerful GOD.

Do you get the picture? A whole nation is as a "speck of dust" off to God.

Po. 8 What are you, then, as 1 person?
What is What am I?

Man Can He look down + even see me here?
Am I significant?

God has answered that question for you:
→ Yes, He cares about you

and this is exemplified in the coming of Jesus Christ here at Christmas.

That's God's answer to your insignificance. He has come + shown His personal care for you as an individual - in the most intimate kind of way - He comes into your life as a loving Person.

all the things that Christmas is all
 about? Not really. It's not
 really about the gifts, the
 decorations, the Christmas
 dinner - God - the only God
 who came as a baby
 in a manger.
 The Bible tells us that
 the world was created by
 God. It's not just a
 perspective.
 He is the transcendent
 God. He is the God
 who is the "speck of dust"
 in the eye of God.
 Can the world be
 significant?
 The answer is yes.
 The world is significant
 because of Christ.
 The world is significant
 because of the love
 of God. The world is
 significant because of
 the grace of God. The
 world is significant
 because of the mercy
 of God. The world is
 significant because of
 the kindness of God.
 The world is significant
 because of the goodness
 of God. The world is
 significant because of
 the beauty of God. The
 world is significant
 because of the truth of
 God. The world is
 significant because of
 the justice of God. The
 world is significant
 because of the peace of
 God. The world is
 significant because of
 the joy of God. The
 world is significant
 because of the hope of
 God. The world is
 significant because of
 the love of God.

⑥ Can you resist that kind of caring? Can you say to Him "There's No Room in My Inn"? This is what I call God's Incredible Plan. There are these 2 dimensions to God:

- ① That the mighty, Transcendent Ruling Creator God is also the humble
- ② Serving loving God inviting us to be a part of His Kingdom - to be His Human agent here on earth & eventually rule with Him forever over the whole universe

It's Christ's coming at Christmas that gives us the opportunity to come to God in a love relationship - responding to His invitation. This love relationship is made possible by His death on the Cross for our sins, so that we don't have to die & be separated from God for eternity.

I) How much better to come to God in this love-personal-relationship than to have to come before Christ - bowing our knee to Him as the all-conquering judging Ruler of the Universe -

→ all history ends at the feet of Jesus Christ & though you may slam your door shut & lock him out in this life you will have to Him & acknowledge Him as God and be judged by Him.

He is the Ruler of Heaven + Earth and He is coming back to earth again.

The same Bible that predicted Christ's coming as a baby - (even to telling that Bethlehem was the place of His birth) That same Bible predicts that He will come again, not as a humble babe but as the Conquering King of Kings + Lord of Lords. Things are going to be wrapped-up here on earth at His coming.

When Jesus Christ comes back things are going to be different: there won't be any "Sorry, there's no room here"

Any opposition to Christ will be swept away by the Word of His Mouth as Rev. says

Jesus explained this so clearly in (Jo. 12)

"I did not come to judge the world but to save the world. ~~But~~ the who rejects

Me and does not receive my sayings has one who judges him: the WORD I spoke is what will judge him at the last day"

This is no threat to the one who has that personal relationship with God — this is an exciting future on the New Earth in perfect relationships with God and with one another

But this is a threat to one who refuses God. To have to meet Him as Almighty God — The Judge.
