Welcome to the retreat on the
Life of Christ

I Our objective is to give you a visual picture of
Christ's life - actually filmed in Israel
- this is accurate - from the gospel
of Luke - filmed by CCC

II To ~~give~~ give you the emphasis Jesus had
in the 3 segments of His public ministry
(above) We are concentrating on some
of his significant teachings and emphasis

III Hopefully - with the visual plus the
teaching you will more clearly understand
and appreciate Christ's life + mission on
when He came.

IV We have some discussion questions
to help us think thru + apply His teachings
+ teachings to our lives. Plus Mt prayer

is that you will understand & appreciate His ~~work~~^{death} on the Cross for you

Tomorrow evening we will have communion - some singing - some sharing about what Christ has done for you & then a time of prayer
