

Functioning instead of Emotionally Relating

Wrong Attitudes

- Emotionally relating is for sissies, so I'll avoid it because I'm a man.
- I don't see any value in just relating; it's a waste of valuable time.
- My father and I worked together but never related, so I concluded that men don't need to relate.
- Relating is awkward, ~~and like gossiping~~, it's superficial.

Wrong Actions

- I earn the money to buy the house, to educate the kids, etc. I am a good provider.
- I'm busy fixing things. I don't have time to relate.
- Talking while I am working at something is okay, because I am accomplishing something.
- Vacations are to be productive... "We'll all paint the house together as a family!"
