

THE BLESSING

HOMES THAT WITHHOLD THE BLESSING:

Five bad examples of these homes:

- (a) Favoritism

- (b) Acceptance and Approval just out of reach

- (c) Strings attached - manipulators

- (d) Expectations with punishment if not met

- (e) Divorce, Desertion, Adoption

Learning to live even though you did not have the blessing.

1. Must face the fact that you never had it - can postpone but can never avoid that fact
2. Be honest about self
3. Check parents' background
4. Can be healed
 - (a) Accept God's Blessing
 - (b) Be in a family - Body of Christ - that gives all 5 elements
 - (c) Then give to others.
