

①

# Evangelism

① must have something to witness for  
- Christ is the TRUTH - He's worth  
living for + witnessing (Rev. 5: 9) -  
God: "calling out a people" for  
what does God do

2. He creates a hunger + thirst for + R  
(Jo. 16.) We are to discover those who  
are interested - follow along after  
the H. S. + share Christ w/ those who are  
ready.

3. Our responsibility is to share  
Christ - ~~God~~ to issue the invitation  
God is the One who converts them  
We must be sure we are faithful  
to issue the invitation clearly &  
graciously - but the seed fall  
on various kinds of soil.

4. (I Cor. 3: 5-9) God is the One  
who gives the growth - we are  
links in the chain.

This fact releases us from manipulation  
and/or becoming resentful if the  
person doesn't respond. - the person  
will sense you are upright + using them

If you are witnessing for the glory  
of God because you love them thru Christ  
you will be relaxed, enjoy witnessing  
+ it is amazing how non-kiats pick up what  
our motivations is

Example

Account have something to witness  
Christ is the TRUTH - this is the  
living part + witness of Rev. 2:1  
"I have written out a message for  
you"

The center a message + that for + R  
the one to witness in that way  
the other side - follow along with  
the 4:2 + others Christ 5 that witness

Our responsibility is to share  
to witness the resurrection  
the one who lives to share  
we must be sure we are faithful

to have the witness clearly  
to witness the resurrection clearly  
the resurrection is the key  
the (Rev. 2:1) that is the one  
who gives the message - we are

the fact witness we are witnesses  
only on becoming ready up the  
message that is the witness - the witness  
will come you are witness - seeing them

of you are witnesses for the witness  
of the witness you love them than Christ  
you will be ready to witness  
that is the witness that you witness

that is the witness that you witness  
that is the witness that you witness

- ② In evangelism there is sowing <sup>IG 7:3</sup>  
watering, reaping - God is the Operator
- ① "This is the first time I've heard anything about God that makes sense" -  
That's sowing
- ② "Yes, I've heard that on Billy G. - watering
- ③ Reaping - last link in the chain  
yes, I want to accept Christ

How do you know where the person is?  
ask them - most of the time we  
don't bother to ask - ask graciously  
with tact - & don't get upset if they  
don't accept -

Don't procrastinate asking - God is  
at work. (Lu. 10:16) - rejecting Christ  
must be sure we are not being offensive

for evangelism

Best qualification - to be afraid  
is normal.

(II Cor. 3:5) - "our adequacy is from  
God" - if you believe this you'll go  
with confidence - not in yourself -  
but in God. Satan will play on  
your feeling of inadequacy

(II Cor. 4:7) - vessel of clay - God is  
pleased to work thru human vessels

① In every case - the new law is stronger than the old law - that is the principle of evolution

② It is in the first time we have seen anything about that that evolution is not a process that occurs at all

③ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

④ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

⑤ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

⑥ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

For example

⑦ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

⑧ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

⑨ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

⑩ The idea is not that evolution is not a process that occurs at all - but that evolution is not a process that occurs at all

3

Presence of God with you as you go out - He lives within you

(Jo. 10: 9) Go in + out

(Heb. 13: 5) I will never leave you nor forsake you

He will be present with you -

Thank Him for being with you +

you will enter into the joy of His Presence

if you acknowledge His presence + you

then we give Him the right -

the opportunity to use us wherever

we go.

It will be a great  
opportunity for you  
to meet with the  
people who are  
responsible for  
the project.
