3. Abstract or philosophical

Why are you majoring in history/art/music

This is the transitional question - & it is the 'key' - doesn't have to be intellectual - just penetrating

It must be lonely to live alone
You must miss your friends in N.J.
major! History tells us so much about
mankind - don't you think

or I majored in genetics + this genetic engineering is fascinating - but it is also scary

or I was watching the news - that bombing of _____ was terrible. I wonder why people do that

Relationships - investigation

4. Religion Beliefs - in politics, love, the meaning of life
God - here is where you have to be careful not to degenerate into argument
→ asking WHY they believe gives you an insight into where they are coming from
