

you are planning to attend, please let Nancy DeMott know today.

NOTICE: We are sorry to announce that arrangements have bogged down for the Men's Fellowship sponsored baseball excursion to Riverfront Stadium on August 21. We started a little too late for the special deal that required at least 30 reservations, paid in advance. It looks like a big day for the men and boys will have to be postponed until 1972.

SUGGESTIONS FOR GETTING THE MOST OUT OF MORNING WORSHIP SERVICES

1. As I enter the Church, I will leave all outside thoughts and cares outside, all critical attitudes, all grudges.
2. When I enter the sanctuary, I will cease all idle conversation, I will become silent, for only in silence can God's still small voice be heard.
3. As I enter my pew, I will bow my head in silent prayer for myself, for others in need, for the great causes of the Church, for him who ministers, I will ask God to be near me now.
4. I will sing all hymns and will think of the words as I sing.
5. My offering will represent the gratitude of my heart for God's innumerable blessings.
6. As my minister preaches from God's Word, I will listen attentively, seeking always to apply God's Word to my own situation.
